

2015 Telergee Executive & Financial Conference

There's still time to register for this unique event!

Sheraton Wild Horse Pass
Chandler, AZ
May 13-15, 2015

The [Telergee Alliance Executive & Financial Conference](#) is the only business conference of its kind created specifically for leaders in the telecom industry. You'll benefit from the collective experience of CFO's, controllers, and business managers from other companies like yours, as well as industry experts. This conference brings together industry specialists whose presentations are always varied and timely and which speak to the financial and business issues that telecom company management faces every day.

No matter your title, if you perform the function of CEO, CFO, Controller or Business Manager for your company, this is your conference!
