BECOME A BROCADE CERTIFIED NETWORK ENGINEER... IN JUST 2 DAYS.

Futureproof your career and increase your earning potential* by earning your Brocade Certified Network Engineer (BCNE) designation.

Attend the Brocade "BCNE FastTrack" class in Creve Coeur, MO on Tuesday and Wednesday, October 13-14 and **receive a \$50 gift card, as well as a test voucher.**

- Elevate your technical skills and overall value to your organization
- Obtain a valuable certification in one of the fastest-growing product segments in the networking industry
- Empower your organization with the ability to take advantage of the significant TCO savings of adopting a Brocade One strategy

Since the BCNE FastTrack class will be fast-paced and comprehensive, it is strongly recommended that all participants have previous experience in networking. Those that have certifications in other networking technologies will be best positioned to be successful in this class.

Don't miss out on this very limited opportunity to boost your skills and earn one of the most exciting certifications in the networking industry in years. Seats are very limited so please register now to reserve a seat!
